LESSON #1 SAFETY UNIT: Pre assessment

Pre-assessment: Safety

A. On your own

Look at the pictures below and describe (in detail) the following for each picture:
1. What is the person/people doing?
2. What is the person/people doing that is unsafe?
3. What is the person/people doing that is safe?
4. How would you do the same task in the picture differently?

B. With a group, discuss your individual answers and come up with common group answers.
C. Discuss as a whole class, add to your individual answers.
