Dear Parent(s),

This year the students will be taking the Ohio Achievement Practice Test the week of October 2-6\textsuperscript{th}, 2006. The third grade team will be working hard with the students to get them ready and prepared for the test. We are asking you to help us with this path to success. In the next few weeks the students will be learning about informational text. We have developed a set of curricular materials and strategies to increase students’ ability to understand informational text, as a result increasing test scores. Your child will be bringing home many in class assignments that directly relate to informational text. We are asking you to look over these assignments and discuss with your child the skills and strategies that they are developing. If you have any questions, please call us at (419) 269-2247 or by email.

Respectfully,
Miss Judge
Miss Pece

\textbf{Mark your calendars.}
