Music Notes

Pepsi Note Campaign
Remind family and friends to continue to collect "Pepsi Notes" points from soft drink and snack items. We need more points to be able to purchase our second violin for the music room.

Our local orchestra has agreed to provide violin and viola lessons here at Lincoln beginning next month. They will also loan an addition four violins and three violas for this project.

Auditions for students interested in the string instruments will be held for auditions on May 15.

Spring Concert: May 24

Lincoln 5th and 6th graders will present the spring musical "Rock the Jukebox" on May 24 at 6:30 p.m. The one-hour musical will highlight the history of popular music from the 1950’s until today. Don’t miss this great event.

Thank you

This is a special thank you to all the Lincoln choir members for all of their hard work leading up the Circle the State with Song event.

Your extra rehearsals really paid off.
You sounded great!

Mrs. Douglas

Symphony Trip

The 5th graders will be traveling downtown Indianapolis to the Circle Theater to hear a performance by the Indianapolis Symphony Orchestra.

Students have been studying the family of instruments in an orchestra and have been listening to excerpt by Bach, Mozart, and John Williams in preparation for this activity. We travel on May 5!
