Slogan and Bumper Sticker Activity

Congratulations! Everyone thinks you are just so *awesome* they decided that you should run for Congress! It is up to you to choose whether you want to run for the House of Representatives or the Senate!

As a representative, it is time to take a stand on an **ISSUE**. You may choose to take a stand on Health Care Reform, Minimum Wage, TARP, or the Stimulus Package (use your worksheets to help you). For your issue you must come up with **TWO BUMPER STICKERS**.

First Bumper Sticker

This bumper sticker must be **8 words or less!** Make your Bumper Sticker catchy and creative! You must use your last name! It needs to reflect your opinion on the issue (for or against). You must use your name and a statistic, or piece on information from your handout about your issue.

"Tyler and Texas"

"Babies count with Crawford"

"States count with Sarah"

Second Bumper Sticker

This bumper sticker needs to reflect the opposite point of view (for the same issue).

Again it can be no more than **8 words!** They must be creative, fun, and to the point! If someone were to randomly glance at your bumper sticker they *need to know what you're talking about!!* Also, this bumper sticker must include a hand-drawn illustration! You do not need to include your name!
