

Once upon a time, there was a ^{Stardom} beautiful butterfly who loved to sing. The little butterfly had a very good voice. The butterfly was named Tiny. Tiny's mom did not want her to sing. She said Tiny wasn't good enough. Tiny was so determined to sing, she went to Star Singers. The biggest singing company on earth. She met the owner and got on stage. She sang beautifully. The owner was so impressed, he had her sign a contract right away. Tiny went all over the world. To Europe, Canada, and to all of the states. Soon, she was tired of singing. She wanted to see her mom. Her boss wouldn't let her. So Tiny quit. Tiny went back home to see her mom. She hadn't seen her mom in 4 years! A few months later Tiny's mom died. So Tiny moved to Mexico and enjoyed her life as a mom and a wonderful singer.
