

I am

I am a smart girl who loves sports.

I wonder what it is like to play in a championship game.

I hear a ball getting hit off a bat.

I see the Reds winning the championship game.

I want to be on the field of a game or championship game.

I am a smart girl who loves sports.

I understand that everyone gets hurt in sports.

I say that we can get better in the game if we just work harder.

I dream to be the first girl baseball player to play with boys.

I try if we are down to put us back up.

I hope to make my dream come true.

I am a smart girl who loves sports.
